Our Hebrew teachers are:

- Native Hebrew speakers, born and raised in Israel.
- Highly skilled and experienced in teaching Hebrew.
- Regularly enhancing their skills through professional development.
- Up to date with the most advanced, research-based teaching practices.
- Passionate about sharing the Hebrew language and culture.
- Dedicated to making learning enjoyable, engaging and meaningful.

We have been proudly serving the community of Australia since 2013, teaching Modern Hebrew to adults, youth and children at all levels, as well as Classical Hebrew to learners of classical and biblical texts.

Program & Lessons

Our Adult Ulpan program is designed to develop practical, conversational Modern Hebrew, while building confidence and fluency across all core language skills:

- ❖ Speaking
- ❖ Listening
- ❖ Reading
- ❖ Writing

The core materials we use were developed by the Hebrew University of Jerusalem and are taught in Ulpan classes across Israel and around the world.

In addition, students benefit from a range of resources, including culture-related materials, audio-visual programs and fun, online practice tools – all uniquely crafted by our Ulpan to enrich and enhance the learning experience.

Our lessons are structured as interactive seminars, fostering active and consistent student participation throughout the learning process.

Ulpan Classes

Our Ulpan Group Classes run once a week for 60 minutes during school terms. The fee per lesson is \$40+GST, paid at the beginning of the term.

In our Beginners Ulpan Classes, students:

- ✓ Learn the Hebrew Alphabet and vowel system.
- ✓ Acquire basic nouns, verbs and prepositions.
- ✓ Speak about themselves and their families.
- ✓ Ask and answer various types of questions.
- ✓ Practise speaking, listening, reading and writing.
- ✓ Build communicative confidence.

Our classes are intimate and welcoming. We quickly connect, engage with each other, and discover that Hebrew is not only rich and expressive, but also fun (and often funny)!

Our teaching approach focuses on real-life communication, helping students use Hebrew confidently and meaningfully from the very first class.

Zoom Sessions

Our Beginners Group Classes are held online via Zoom, offering an effective and engaging learning environment that simulates a physical classroom.

Students join from their computer or tablet and enjoy the convenience of learning from home, while actively participating, collaborating and enjoying a strong sense of community.

After each lesson, the teacher sends out the material that was covered, alongside a recording of the lesson, to support revision and ongoing practice. Homework is also assigned to reinforce learning between lessons.
